0 of 0 review helpful Five Stars By Customer This is a great book and product I would definitely recommend this book for any healthcare professional 0 of 0 review helpful Five Stars By Customer Am very satisfied 0 of 0 review helpful Five Stars By Customer Very good condition The traditional pathophysiology book is written for the medical

student Nursing and allied health students usually at the sophomore level have simply had to make do with cumbersome 1500 to 1600 page books that assume considerably more science background than the typical allied health student has acquired The Nowak book is not only briefer at 700 pages but is organized in a manner that brings the principles of pathophysiology to the forefront The autho
