17 of 17 review helpful Great Resource Difference Between A and B for Me By Jacob and Kiki Hantla Using Huether and McCance s 3rd edition of Understanding Pathophysiology in my recent Pathophys class this workbook and study

guide was an invaluable resource The textbook is relatively complete and thorough in its information Oftentimes I found myself getting lost missing the forest for the sake of the trees I could not The Study Guide includes learning objectives with corresponding textbook page numbers for review special Memory Check boxes concise summaries of key chapter concepts and a practice examination for each chapter Each of the disease chapters also includes a case study with a critical thinking question Answers to the practice examinations and a discussion of each case study question are found in the back of the Study Guide About the Author Sue E Huether RN PhD Professor College of Nursing University of Utah Salt Lake City UT Kathryn L McCance RN PhD Professor College of Nursing University of Utah Salt Lake City UT and Clayton F Parkinson PhD Professor College
