By Bryan Jennett : The Vegetative State: Medical Facts, Ethical and Legal Dilemmas free ethical dilemmas papers essays and research papers free ethical dilemma in nursing papers essays and research papers The Vegetative State: Medical Facts, Ethical and Legal Dilemmas:

This unique account surveys the medical ethical and legal issues that surround the vegetative state. The volume discusses the medical definition and criteria for diagnosis, its frequency and causes, and possible outcomes. The author also explores ethical arguments including the conflict between sanctity of life and respect for the autonomy and best interests of the victim and between killing and letting die. Legal issues are explored with details of landmark court cases. From *The New England Journal of Medicine*, Americans are fascinated with the mysteries of consciousness. Periodic accounts of unexpected awakenings stimulate media attention. They fill the pages of our newspapers, headline the nightly news, and provide plots for H
