local Medical-Surgical Nursing (Book with Diskette):

0 of 0 review helpful Received on time By Satisfied reader The book was received on time and in good conditions however the description of the book said that the book had a diskette and the diskette was missing I did not need the diskette and the fact that was missing did not affect me but the listing should have said that the diskette was missing Now for the price that I paid I got exactly what I was looking for Covers cardiovascular disorders respiratory disorders neurologic disorders sensory disorders eyes and ears gastrointestinal disorders endocrine disorders renal and urologic disorders musculoskeletal disorders integumentary disorders hematologic and lymphatic disorders and appendices
