By Sylvia A. Price RN PhD, Lorraine M. Wilson RN PhD : Pathophysiology: Clinical Concepts of Disease Processes, 5e pathophysiology clinical concepts of disease processes 9780323014557 medicine and health science books amazon buy pathophysiology clinical concepts of disease processes 5th edition 9780815166214 by sylvia anderson price and lorraine mccarty wilson for up to Pathophysiology: Clinical Concepts of Disease Processes, 5e:

13 of 13 review helpful Excellent resource for the new ICU nurse By A Customer I have been a fan of Sylvia Price s

Pathophysiology text since I first studied for the CCRN exam in 1982 I have bought periodic updated versions since that time and recommend it to all my preceptees and CCRN study group members The clarity of her authors explanations makes understanding the pathophysiology of conditions commonly seen in I The new edition of this well respected text uses a body system approach to present diseases focusing on alterations in biologic processes that affect the body s equilibrium The book retains the easy readability shorter chapter lengths innovative and numerous end of chapter study questions and outstanding pedagogic elements of previous editions New features include full color plates new and revised illustrations a new chapter on pain and significant content updat
