Guide to accompany Porth's Pathophysiology: Concepts of Altered Health States:

7 of 7 review helpful Don't Second Guess Purchasing It By BCT I rarely had time to complete all the required readings in my Adv Patho Class but as long as I completed the Chapter Reviews in their entirety of the Study Guide I was pretty thoroughly familiarized with the content it would have taken 5-10 times as long to read through The NCLEX practice questions in each Chapter Review also help a lot because you not on Publisher's Note  
Products purchased from 3rd Party sellers are not guaranteed by the Publisher for quality authenticity or access to any online entitlements included with the product The study guide is designed to help the student practice and retain the knowledge they have gained from the textbook and it is structured to integrate that knowledge and give you a basis for applying it in your practice Exercises in the s
