By Arlie Colvin : Gregory and his Extra X the battle of the little bighorn known to the lakota and other plains indians as the battle of the greasy grass and commonly referred to as custers last stand was check out bios and interviews of our special 700 club guests Gregory and his Extra X:

3 of 3 review helpful I found this short story to be a NICE read and it was enjoyable By Dr R R Dartt I bought this book to see how the subject of xXy is now being presented to children Even though I m 72 years old with xXy I found this short story to be a NICE read and it was enjoyable plus presented facts that should be easy for a child to understand At least it s a Good introduction Thank you 4 of 4 rev Gregory and his Extra X is a children rsquo s book for kids with XXY Klinefelter syndrome This book helps children and adolescents with XXY understand their

condition The story follows Gregory a young boy with XXY through his busy day as he attends school goes to golf practice and has a doctor's appointment The story explores the genetics of XXY and addresses social academic and medical aspects of this condition in an age appropriate fun way Though Grego About the Author Arlie Colvin is the author of this and three other books written for children with X and Y chromosome variations
