2 of 2 review helpful Good text bad error filled images By Sbert1 I ve read about a third of this text so far and I actually really like the text I ve been struggling in medical school and find that I get lost pretty quickly in Golgan s Rapid Review and fall asleep trying to get through Robbins What I love each chapter starts with a list of relevant terms

I read them before starting and refer back This completely new textbook takes an integrative problem based approach to pathophysiology creating an effective bridge from basic science to clinical practice Preeminent pathology practitioner author and instructor Ivan Damjanov MD PhD skillfully provides you with the rich understanding of disease mechanisms you need to succeed on the USMLE and beyond Clinical vignettes in each chapter presented in a problem based format demonstrate the practical relevance of About the Author School of Medicine Department of Pathology Laboratory Science The University of Kansas Medical Center 3901 Rainbow Blvd Kansas City KS 66160 7410
