1 of 1 review helpful Greatest Textbook of Medicine By Charles Scott PA Though I have not spent a lot of time reading it I have always favored Cecil over Harrison s or Conn s My school version was an ugly orange 2 volume Fifteenth Edition I ve been retired fifteen years so don t need the newest edition anymore but having many times to assert knowledge with today s practitioners found I needed a somewhat newer version I Faster reference better practice If you aren t already getting your medical information from Cecil Medicine it s time for you to start The 23rd Edition

is quite simply the fastest and best place to find all of the clinical answers you need Both inside the remarkably user friendly printed version of this Expert Consult title and on its fully searchable web site you ll find definitive unbiased evidence based guidance on the evaluation and management of every medic REVIEW OF THE LAST EDITION Ranks among the best medical textbooks in longevity comprehensiveness tradition and use by practitioners and students alike JAMA Goldman and Ausiello have given the 22nd edition of this venerable textbook a 21st centur
