By Elizabeth Royte : Bottlemania: Big Business, Local Springs, and the Battle over America's Drinking Water
Bottlemania: Big Business, Local Springs, and the Battle over America's Drinking Water:

0 of 0 review helpful goes hundreds of years into the past to explain who bottled water became mainstream and why tap water isn't necessarily perfect By Alexander Joseph Knapp Royte covers all the bases here goes hundreds of years into the past to explain who bottled water became mainstream and why tap water isn't necessarily perfect either She gives the municipal water companies a run for their money along with the EPA Second only to soda bottled water is on the verge of becoming the most popular beverage in the country The brands have become so ubiquitous that we're hardly conscious that Poland Spring and Evian were once real springs bubbling in remote corners of Maine and France Only now with the water industry trading in the billions of dollars have we begun to question what it is we're drinking In this intelligent accomplished work of narrative journalism Elizabeth From Publishers Weekly Royte Garbage Land plunges into America's mighty thirst for bottled water in an investigation of one of the greatest marketing coups of the twentieth and twenty-first centuries As tap water has become cleaner and better tasting
