Pocket Guide (Incredibly Easy! Series®):

1 of 1 review helpful great By BWR Great pictures easy wording puts complicated patho into easy to understand concepts I would definitely recommend this to anyone who is taking a patho class 0 of 0 review helpful not what I expected By P DiPierro It is a good resource but I would not consider it a pocket guide as it does not fit in one's pocket Not as detailed as I The latest spinoff of the Incredibly Easy Series reg the Incredibly Visual Pocket Guides are compact carry anywhere references that use stunning full color photos and illustrations and brief easy to read text to present must know clinical concepts Ideally suited for visual learners the information is easy to learn and recall because the visual images leave a lasting impression and most topics are covered on a two page spread Pathophysio
