**From Brand: Lippincott Williams Wilkins : Pathophysiology: An Incredibly Easy! Pocket Guide (Incredibly Easy! Series®)** clinical guidelines diagnosis and treatment manuals handbooks clinical textbooks treatment protocols etc i dont know how you are able to legally provides these textbooks to people but assuming this is valid under the law i thank you as a medical student Pathophysiology: An Incredibly Easy! Pocket Guide (Incredibly Easy! Series®):

1 of 1 review helpful A great little reference By VBikes A great reference I keep in in my locker at work It s slightly too big for your pocket tall compared to the little spiral reference books but it is still pretty small I use it more for refreshing my memory if I get a patient with a disease I m not familiar with or for doing patient teaching 1 of 1 review helpful Five Stars Pathophysiology An Incredibly Easy Pocket Guide Second Edition provides time starved nurses with just the essential pathophysiology facts in a streamlined bulleted and highly visual format The book fits into a pocket for quick reference anytime anywhere Bullets charts illustrations logos and other Incredibly Easy features help nurses spot key facts at a glance Each chapter briefly reviews pathophysiologic concepts and disorders
